

Appl. No. : 10/658,836  
Filed : August 21, 2003

### SUMMARY OF INTERVIEW

#### Attendees, Date and Type of Interview

The interview was conducted telephonically on December 16, 2007 by Eric Nelson (43,829) , John Rickenbrode (57,067) and attended by Examiner Brandon Hoffman.

#### Exhibits and/or Demonstrations

None

#### Identification of Claims Discussed

1

#### Identification of Prior Art Discussed

Harlick and Wells

#### Proposed Amendments

None

#### Principal Arguments and Other Matters

Harlick and Wells fail to teach or render obvious all limitations.

#### Results of Interview

Applicant thanks the Examiner for the suggestion that an amendment to clarify that the first device transfers gaming information to the second gaming device would overcome the art of record. In response, Applicant has adopted the Examiner's suggestion.
